

**After much anticipation.... we are excited to announce that  
Learn to Cope will be coming to Attleboro!!**

Learn to Cope is a peer-led support network for parents and family members dealing with a loved one struggling with or living in recovery from a substance use disorder. Currently, Learn to Cope has 26 chapters which holds weekly meetings throughout Massachusetts, as well as a private online discussion forum on our website. Learn to Cope offers members a safe place to receive peer support, education, resources and hope from other family members who share similar journeys and experiences.

Learn to Cope is extremely grateful for the support of the greater Attleboro community who has voiced their desire and put in great effort to establish a local Learn to Cope chapter in their community. Passionate and dedicated members of the Attleboro community have worked closely with Learn to Cope staff to develop a strong team who has worked to bring resources for families to their local area.

We are writing to invite you to learn more about Learn to Cope at our **Information Night on Thursday, June 15<sup>th</sup> at 7:00pm** in the **Registry Building at 77 Park Street, Attleboro, MA.**

We will offer information about the history of the organization, explain what a meeting looks and feels like, and hear from those who have had personal experiences as Learn to Cope members and volunteers. This night is a great opportunity for community organizations and the public to get to know more about Learn to Cope. ***All are welcome!***

I have attached the flyer for the June 15<sup>th</sup> Informational Meeting. Please feel free to distribute it to your networks to help spread the word.

Sincerely,

Merielle Paul  
Senior Regional Manager  
Learn to Cope
